

## Fall of Important Coal Centre Imminent

### Canadian Troops Storm Leavette, Half Mile Away From Lens City Limits

## Crack Prussian Corps Beaten in Persistent Onslaught on Enemy

Boys Of The Dominion Fight Their Way Through Wire Entanglements And In Face Of Heavy Machine Gun And Rifle Fire—Main Canadian Position Within A Mile Of Lens—Germans Blow Up Bridge Over Bouches Leading From Avion—Continuous Artillery Duels On Other Fronts.

(By Morning Bulletin Leased Wire)  
The Canadians—men from all parts of the Dominion—have taken another hack at the German lines protecting Lens, the coal centre in the Department of Pas de Calais, and have been rewarded with a further encroachment on their objective. On a two mile front south of Lens, the Canadians, protected by effective curtain fire, stormed and captured German first line position before Avion and also the village of Leavette, half a mile from city limits of Lens. They defeated in their onslaught many of the crack Prussian Guard and the Fifth Grenadier Guards, whose machine gun and rifle fire and the fact that the attacking force had to cut through wire entanglements, could not stay the Dominion troops. When the battle ended and the Canadians began the work of consolidating their newly won positions their line had been extended to within one mile of the centre of Lens, the fall of which, under such tenacious assaults as have been made recently, seemingly cannot be long delayed.

Reduced to necessity of fighting from the ruins of a burned city, their powerful trenches outside the town having been taken, the Germans' position in Lens became extremely critical this afternoon with fresh British advances. The Germans blew up a bridge over the Bouches river leading to the city from the outskirts of Avion, now in full possession of the British.

Canadian patrols were reported to headquarters Thursday afternoon as having arrived close to Mercicourt. Canadian forces have already taken the village of Fosse, Louvrette, one half mile from the city limits of Lens. Outside the Lens-Arras railroad, the Canadians are pressing further forward toward Lens as this cable is written. A portion of the Avion-Mercicourt enemy "switch line" has just been captured—with very light losses to the British.

Refused To Surrender.  
Prussian troops trapped in dugouts in this section refused to surrender and the positions were cleared by bombs. The enemy lines at the forks of the Arras-Lens and Drocourt-Lens railway is bitterly resisting the British advance, but this afternoon it was asserted the British had the situation "won" in hand.

The British now touch Lens proper on three sides.

Heavy Bombardments  
On the remainder of the front in France there have been only bombardments between the French and the Germans. In Belgium the Germans are carrying out heavy bombardments against the French positions at numerous points from the southward. It attacks south of St. Georges the Germans entered French trenches, but later were ejected from them suffering heavy casualties. Only minor operations are in progress on the other fronts. In the Russian theatre the fighting is still spirited in Galicia. In the Austro-Italian zone infantry attacks have again ceased for the moment and only artillery duels are taking place. Patrol engagements and artillery duels continue to feature the fighting in Macedonia.

Another Enemy  
Brazil is no longer a neutral in the world war and the German empire has at another enemy arrayed against it. Having previously revoked its policy of aloofness, so far as it affected the hostilities between the United States and Germany, Brazil has now come definitely into the open and announced that it can no longer be considered neutral in the war between the entente and Germany. Although no announcement has been vouchsafed whether the South American republic will actually enter into hostilities by its revocation of neutrality, it definitely aligns itself strongly on the side of the United States and the entente.

British Line Advance  
LONDON, June 28.—Considerable further progress, in the course of which we have captured a number of prisoners, has been made by us during the day south of the Souchez river, said tonight's British headquarters official report.

"Our line in this area has again been advanced on a front of nearly two miles. Our troops have reached the outskirts of Avion."

Activity in the air continued yesterday. One enemy airplane was brought down in the air fighting; two others were driven down out of control. In addition two hostile machines were shot down and two others were driven down by fire from the ground. Four of our airplanes are missing."

On the French Front  
PARIS, June 28.—The official communication issued by the war office tonight reads:  
"Intermittent bombardment occurred in region of Hurbise-Mont Blond and Carnillet. The enemy artillery was vigorously counter-shelled by us along the whole front and particularly along the left bank of the Meuse, on the slopes of Mont des Roches. North of Jouy, a strong enemy patrol attempted a surprise attack and was repulsed."

"A German airplane was brought down by one of our machines and fell in the Bois de Beaumarais, southeast of Craonne. The pilot, who was wounded, and an officer observer, unscathed, were taken prisoners."

The Germans continued to bombard Belgium. In the night of June 27, 1,200 shells were fired today, eight on the cathedral.

"Belgian communication: 'In the night of June 27, a detachment of one of our posts, which it succeeded in penetrating, but was immediately ejected after a heavy fight, suffering heavy losses. The artillery fighting was very heavy along the whole front, particularly in the sector of Steenstraete.'

Eastern theatre, June 27: Intermittent and moderate artillery activity took place along the whole front."

Portuguese Cheer  
LISBON, June 28.—A wave of tremendous enthusiasm swept over parliament today when formal announcement was made that a battalion of Portuguese troops "somewhere on the fighting line in France," had destroyed a German patrol and taken a number of prisoners.

The Portuguese troops' exploit was formally announced by Field Marshal Haig Saturday.

## THREATEN JUDGE ON ANARCHISTS' TRIAL

Goldman and Berkman Charged With Conspiracy To Obstruct Conscription.

(By Morning Bulletin Leased Wire)  
NEW YORK, June 28.—When the trials of Alexander Berkman and Emma Goldman, anarchists charged with conspiracy to obstruct the operation of the selective draft law, were resumed today no one was permitted in the court room who did not hold a pass. This provision was taken because of the number of threatening letters which have been received by Judge Meyer, who is hearing the case. Berkman intimated today that he would continue to act as his own attorney.

Seven jurors had been accepted when the trial was resumed this morning.

PROVISIONAL SUPPORT  
ROME, June 28.—The chamber of deputies today voted 227 to 28 to extend support to the government for another month, provisionally. The vote indicates the strongest support for the Boselli ministry.

## EXPERTS PLAN DEVELOPMENT OF RESOURCES

Negotiations Are In Progress Between The United States And Britain.

(By Morning Bulletin Leased Wire)  
LONDON, June 28.—At the suggestion of the United States negotiations are in progress for further consolidation of interests in America and Britain. Dr. Christopher Addison, minister of munitions, said today. The results of these negotiations, if successful, will be of enormous value in enabling the American government to place its great resources more effectively at the disposal of the allies and in promoting economy.

The munitions ministry, Dr. Addison continued, had an interest in nearly 1,000,000 tons of shipment monthly. The submarine campaign, had as it was, did not provide much comfort for the enemy when, for example, he knew that of the shell compute shipped from North America the total loss since the commencement of unrestricted submarine warfare had been only 5.9 per cent of the amount shipped.

Dr. Addison said that before the war the production of spelter in this country was only one-third of the national requirements, but that he hoped the capacity would be doubled before the end of the year. Some time ago steps were taken to obtain control of the Wolfram ores of the empire with a view to regulating the stock of tungsten for production of steel.

Arrangements were in hand, the minister continued, which increased the home production of aluminum by which some of the requirements of experts was considering development of copper and other mineral resources of the United Kingdom.

## WIRELESS IN OPERATION ON NORSE ISLE

Discovery During Investigation Of German Espionage System In Norway.

(By Morning Bulletin Leased Wire)  
CHRISTIANIA, June 28.—In the investigation into the German espionage system a secret wireless station has been discovered on an island outside of Arendal, a wide view of the sea. Suspicious characters have been arrested in various places in Norway and many of them have been sent across the border because they were unable to give a satisfactory explanation of their doings.

In the Storting, the government has been criticized for its lack of control over foreigners who travel on isolated or work as laborers. The crew of the interned German auxiliary cruiser Berlin at Tromsø have been given a more liberal leave of absence than the Norwegian soldiers guarding them. One paper urges a diplomatic break if Germany does not make a satisfactory explanation of the bomb plot, disclosed by the arrest of Reutenfels and others, and the seizure of large quantities of explosives which had been brought from Germany to Norway. Many Norwegians in the small coast towns have been acting as German consuls or agents, have resigned.

A dispatch from Vadsoe says that two Russian mail boats plying between Archangel and Vadsoe have been left undisturbed by the U boats and that Russians favoring a separate peace assert there is a secret agreement laid on the table of the commons today. It is as follows:

Public works, 55; justice, 15; labor, 1; railways and canals, 102; interior, 81; naval service, 17; inland revenue, 14; state, 4; public printing and stationery, 9; auditor general, 5; finance, 8; customs, 203; marine, 3; mines, 3; trade and commerce, 15; postoffice, 508; agriculture, 41; militia and defense, 2,514.

## WAS 150 MILES FROM LAND

COPENHAGEN, June 28.—Sinking by a German submarine outside the prohibited zone and without examination of the 450-ton Danish steamer Vigvagt was reported by her commander on his arrival here today. The submarine commander left the Danish vessel's crew in their boats 150 miles from land.

## RUSSIAN ELECTIONS

PETROGRAD, June 28.—The provisional government has issued a decree fixing September 30 for the elections to the constituent assembly. October 15 has been set for the first meeting of the assembly.

## LABOR MEMBER SAYS GENERAL STRIKE MOOTED

Step Will Be Taken If People Are Not Consulted.

## CALL TO NATIONAL SENTIMENT URGED

Plea Of Dr. Neely Supporting Principle Of Bill.

(By Morning Bulletin Leased Wire)  
OTTAWA, June 28.—That organized labor might declare a general strike in the event of a government undertaking to enforce conscription without consulting the people was the statement made in the commons tonight by A. Verville, Liberal-Labor member for Malouneville, Montreal. Organized labor had been ignored since the war began, he said. President Wilson had consulted labor in order to secure its co-operation. "Remember," said Mr. Verville, "I would not be guilty of endorsing a general strike. Perhaps few people know what it means. The government should consider what it would mean for itself, for the country and for our allies."

Mr. Mederic Martin, mayor of Montreal, who represents St. James division in that city, predicted that the enforcement of the bill would bring about the end of confederation. "If you pass this bill," he said, "you enter the realm of civil war. You are deliberately provoking the people."

"Dr. Neely, of Humboldt, who resumed the debate in the afternoon, favored the principle of the bill, but suggested that another attempt should be made by the leaders to get together after the bill is passed. He asserted that the bill would be doubly effective in mobilizing national sentiment, but that this might be done."

Support for the bill came from Dr. J. L. Chabot, Conservative-French Canadian representative for Ottawa, and from W. Walchell, member for North Waterloo, who is of German parentage. The referendum amendment was championed by Dr. Paquette of L'Islet, A. Bellmore, Maskinonge (Conservative), and William Power, Quebec East, (Liberal).

It was thought Paquette and Bellmore would support the six months' hold amendment. Their decision not to do so indicates that the Barrett amendment will be carried with little support when the vote is taken.

Speeches in favor of a referendum were made at a late hour by Plus and Michael, of St. N. B., and Mr. Tabin, of Richmond, Que. Mr. Girard of Chicoutimi supported the six months' hold. W. H. Bovin of Sherbrooke moved the adjournment of the debate.

## AUSTRALIA WAITS HUGHES' STATEMENT

Premier Expected To Make Pronouncement On The Conscription Issue.

(By Morning Bulletin Leased Wire)  
SYDNEY, June 28.—Mr. MacKinnon, director of recruiting, indicated that Premier Hughes will in a few days make an announcement regarding conscription. He said in a speech: "Premier Hughes will know exactly where Australia stands and what Australia has to do and how she will do it. I believe the Australian people, who will hear Premier Hughes' announcement, will rise up and do the honorable thing of their own accord. It will be much more humbling to have to do a thing than to do it on your own because the latter appeals to your manhood."

## ITALIAN ENGINEER DESIGNS NEW TYPE UNSINKABLE BOAT

Accepted By Italian Ministry Of Marine—Used For Cargo Purposes.

ROME, June 28.—Umberto Pugliese, naval engineer, has designed a new type of unsinkable cargo boat, which has been accepted by the Italian ministry of marine.

The Revista Marittima says the vessel has a displacement of 10,000 tons and can carry 5,000 tons of cargo. It has a double skin, the space between the inner and the outer hulls being filled with coal and other material to protect the ship from mine or torpedo.

## VETERANS WORKING FOR GOVERNMENT

OTTAWA, June 28.—The number of returned soldiers given employment by the governments in the various departments was detailed in a statement laid on the table of the commons today. It is as follows:

Public works, 55; justice, 15; labor, 1; railways and canals, 102; interior, 81; naval service, 17; inland revenue, 14; state, 4; public printing and stationery, 9; auditor general, 5; finance, 8; customs, 203; marine, 3; mines, 3; trade and commerce, 15; postoffice, 508; agriculture, 41; militia and defense, 2,514.

## DEMAND UNIVERSAL SUFFRAGE

LONDON, June 28.—Buda Pesth despatches report a great demonstration in Buda Pesth in a demand for universal and secret suffrage. Twenty-four thousand persons marched in procession through the principal streets. There was some rioting and windows broken and the police had some difficulty in dispersing the crowds.

## BOY ROCKED BOAT AND WAS DROWNED

Melvin Haugen, of Camrose, Victim Of Fatality In Stony Creek.

(Special to the Bulletin)  
CAMROSE, June 28.—Melvin Haugen, a lad of 11, was drowned about eight o'clock Thursday evening in Stony Creek, near the dam. He was in a canoe with another boy named Pilling and started to rock the boat. The result was that the canoe capsized and both boys were thrown into the water. Young Pilling was saved, but his companion sank before help could reach him. The body was recovered later in the evening.

## FLOODS SWEEP TOWN THROUGH DAM BURSTING

Section Of Oregon Being Devastated—People Fleeing From Rushing Water.

(By Morning Bulletin Leased Wire)  
BAKER, Ore., June 28.—Reports from Haines say the town of Rock Creek practically was swept away today when a fifty-foot dam at the flooded Killamack Lake, 15 miles west of Haines, gave way. Residents of Haines, which is in the path of the flood, are reported hurrying for high ground. Almost every building in the town is said to have been destroyed. Communication with the flooded district has been cut off. It is not known whether there has been any loss of life.

Along the entire path of the rushing water people are fleeing, carrying with them what few belongings they were able to gather, according to reports reaching here.

The district affected is considered one of the most productive grain and hay sections of Oregon.

Killamack Lake is located on the summit of the Elkhorn mountain range. When the dam gave way the waters cut a path 200 yards wide down the mountainside. The lake covers about thirty acres and is of natural formation.

## WANT BOURSE REOPENED

AMSTERDAM, June 28.—An organization known as the German Society for Bourse interests has petitioned the Prussian ministry of commerce to re-establish official quotations on the Berlin stock exchange on the ground that the reasons which at the beginning of the war had led to the suspension of the quotations are no longer valid.

## CAPACITY IS INCREASED TO FIFTY PER CENT

Britain's Steel Production—Great Quantities Of Potash Now Obtainable.

(By Morning Bulletin Leased Wire)  
LONDON, June 28.—Reviewing the work of the ministry of munitions, Dr. Christopher Addison had an encouraging and fascinating story to tell in the house of commons today of amazing developments in that department after initial disappointments and difficulties and of the expedients and determination whereby they had been overcome. His revelation of the remarkable output of munitions at armaments and how the necessities of war so stimulated national ingenuity and enterprise that totally unexpected developments of natural resources were secured which will be of unsold service to the nation after the war gave parliament and the public the keenest satisfaction.

Dr. Addison emphasized the enormous increase in home production of what previous to the war, had been obtained from abroad and said that after the war, as an instance, Great Britain would find herself with her capacity for steel production increased by 50 per cent.

One of the most welcome allusions was to the fact that Great Britain would no longer be dependent upon Germany for potash supplies. Referring to Germany's hope of being able after the war to hold Great Britain for ransom on this account Dr. Addison said: "I see no objection to their knowing that in these respects they will be disappointed. A process has been discovered by which great quantities of potash are obtainable. We shall be able to provide every ounce of potash required by the glass trade as well as very largely meet the needs of agriculture."

## U. S. WHEAT SITUATION

MINNEAPOLIS, June 28.—"We have had no official information yet as to government control of flour distribution and the purchase of wheat," said an official of one of the largest milling companies. "However, we are expecting such information any day."

## Adoption of War Menu Food Controller Says Is a National Duty

Hon. W. J. Hanna Outlines Situation Within Empire And Canada In Regard To Supplies—Asserts Must Be Immediate Voluntary Action To Curtail Table Excesses—Crop Of Storable Foods Here, He Says, May Be Entirely Inadequate Unless People Wholeheartedly Determine To Make Up Shortage.

(By Morning Bulletin Leased Wire)  
OTTAWA, June 28.—In an initial statement issued tonight, Hon. W. J. Hanna, the recently appointed Dominion food controller, outlines the situation within the empire and Canada in regard to food supplies and deals with the necessities of the allies. He declared that the adoption of a war menu is a national duty if the country is to do its share in the provision of food essential to the successful prosecution of the war. He asserts that there must be immediate voluntary action to curtail table excesses. Mr. Hanna makes the important statement that the crop of storable foods of this continent may be entirely inadequate to meet the demands, unless the whole people determine to do everything in their power to make up the shortage. The statement in full is as follows:

Outstanding Fact.  
"The outstanding fact of the food situation, which is imperative that every citizen of Canada should realize at once, is that Great Britain, France, Italy, Belgium and their European allies are wholly unable to supply the allied armies at the front and on the way. For nearly three years their man-power has been engaged in the direct work of war and in some cases large areas of their most productive lands have been overrun by the enemy. Their food shortages and the food to supply the armies of Canada and the United States must be wholly provided from this side of the Atlantic. The supply must also be obtained from the losses at sea. Australia, New Zealand, the Argentine Republic and other countries are not now available to relieve the situation because of their remoteness and the shortage of tonnage."

Threatened Shortage.  
"The crop of storable foods grown in Canada and the United States suitable for shipment overseas is threatened by the large rationing of the demand unless the whole people determine by every means in their power to make up the shortage. Every individual is under a direct obligation to the largest of the allied forces. There must be national self-denial and national co-operation to provide the necessary supplies."

"Time and investigation will be required to determine the best means of assuring adequate rations for the Canadian divisions and the allied nations and armies. But there are some measures that are so obviously right that we ask that they be adopted at once and the men and women of the Dominion pledge themselves to their observance. They include: "Maximum production. "The largest possible consumption of perishable foodstuffs in order to liberate the storable foods for transportation. "The adoption of war menus. "The prevention of food waste. "The utilization and organization of volunteer bodies to assist the food controller in increasing and conserving the food supplies."

Perishable Foods.  
"The restriction of ocean tonnage."

## BRAZIL LINKS UP WITH ENTENTE

(By Morning Bulletin Leased Wire)  
RIO JANEIRO, June 28.—Brazil has revoked her decree of neutrality in the war between the entente allies and Germany.

## EIGHT KILLED WHEN LINER IS TORPEDOED

Elder Dempster Steamer Addah—Germans Fire On Captain's Boat.

(By Morning Bulletin Leased Wire)  
LONDON, June 28.—The Elder Dempster steamer Addah was torpedoed without warning and sunk by a German submarine on June 15. The submarine fired on the captain's boat killing eight men.

The submarine fired on the master's boat from a distance of between 300 and 400 yards. The shot took the boat's stern completely off. Then the submarine continued firing while the men were swimming about.

It fired also on the chief officer's boat, which was pierced by a shell, but nobody was killed though several were slightly wounded.

A French steamer at five o'clock on the afternoon of June 16.

## HAYES FISHER APPOINTED

LONDON, June 28.—W. Hayes Fisher, parliamentary secretary of the local government board, has been appointed president of the local government board in succession to Lord Rhonda, who has become food controller. Stephen Walsh, member of the house of commons for the Ince division of Lancashire, succeeds Mr. Fisher.

"Food being wasted in the hotels, restaurants, clubs and homes of the Dominion. It is the duty of every citizen dealing in or preparing and serving food to adopt measures which will eliminate waste entirely."

"The adoption of war menus is a national duty if the country is to do its share in the provision of food essential to the successful prosecution of the war. There must be immediate voluntary action to curtail table excesses. The soldier lives simply. He is not given a choice of many dishes and delicacies."

"The efforts of the dominion and provincial departments of agriculture, other governmental organizations and the voluntary associations already at work are greatly appreciated. Their further assistance is earnestly invited. All organized bodies and every citizen should study means of conserving the non-perishable foods. There is equal need for increased production of perishable products. Where the work of organizations has not already been done, we suggest that the mayors and reeves of urban communities take action at once, so that all available labor in the municipalities may be put at the service of the war effort. It is preference being given in every instance to those whose sons or husbands have gone to the front. There are many men in towns and villages who have had families who have served in the war. Food conservation is essential to win the war."

## PARLIAMENT HAS NO RIGHT TO PASS BILL

Contention Of Senator Landry Is Life Of Legislation Has Expired.

(By Morning Bulletin Leased Wire)  
VERNON, Ont., June 28.—Conscription and bi-lingualism were dealt with here this afternoon by Senator Landry of Quebec and Z. Mageau, Ontario M. P., in addresses at an open air celebration on old French lines of the Fete Champetre, in belated observance of St. John Baptiste Day.

Referring to conscription, Senator Landry briefly argued that as the life of parliament has expired it had no right to bring in such a bill as the present one. Any change in the militia law empowering Canada to send men overseas as part of defense would need a change in the constitution, which could only be done through the imperial house. If the people by referendum gave consent it could be done. "But if you give consent to change the militia law you will be the instruments of your own fate," he said.

Mr. Mageau, who spoke indignantly of French-Canadians in the legislature who would not support their race, said in referring to the compulsory service bill that he had offered in 1914 to raise an all French Canadian battalion in Ontario, but his offer was twice refused by General Logie and Sir Sam Hughes.

"We have decided that the French language shall live in the province of Ontario. We have your good will, your work and your sacrifice to rely upon, and I can assure you that you have the heart and purse of the province of Quebec."

That was the decisive statement on bi-lingualism by Senator Landry. "We do not withdraw," he went on, "in the face of the order of the privy council. We are not hired nor are we slackers. We are going on to the end and we shall fight it again."

## GOLF CLUB SPECIALS ARE POSTPONED

Announcement Of Time Of Matches Will Be Made Later.

At a committee meeting of the Edmonton Golf club held on Wednesday evening, it was decided to postpone the mixed two-ball foursome for a few weeks.

There will be a men's two-ball foursome held early in July and entries for same will close on July 5th. This competition is open to all members of the Edmonton Golf club. No member will be allowed to start in any competition without their subscription and entrance fees being paid, on account of the smallness of the sums in question.

It was also arranged that the committee will canvas their friends for membership and, with the number of players using the municipal links, it is expected that the club membership will considerably exceed the hundred mark and is already well on its way to that figure.

The handicap allowances are very liberal and special provisions will be made in the forthcoming two-ball foursome to give every player an equal chance and to make the net handicap allowances as equal to all as possible.

The members of the various committees are: Ladies' committee—Mrs. Beart, Mrs. J. A. MacKinnon and Mrs. Skatkebol. Men's committee—Messrs. J. M. Hunter, J. E. Lowery, D. MacPherson, S. J. Thorburn and A. Whitehouse.

The secretary-treasurer is T. Coates. A special meeting of the ladies' committee will be held on Friday to consider what competition should be held during July for the lady members.

Announcements regarding the coming competitions will be posted at the municipal links, in both the club houses and at the ticket office. Those desiring to join the club are requested to apply to some member of the above committees.

### DEVELOPING RESOURCES

LONDON, June 28.—Dr. Christopher Addison, minister of munitions, said today that a committee of experts was considering development of copper and other mineral resources of the United Kingdom.

## In The Big Leagues

### National League

	Won.	Lost.	Pct.
New York	36	21	.632
Philadelphia	36	23	.610
Chicago	36	21	.632
St. Louis	34	20	.632
Cincinnati	34	24	.588
Brooklyn	26	32	.448
Boston	23	33	.411
Pittsburgh	21	39	.350

### Another for New York

NEW YORK, June 28.—New York today defeated Boston, 3 to 2. Schupp did not allow a hit until the eighth inning. The Giants won by bunting hits on Ragan in the fifth inning and doubles by Fletcher and Robertson.

### Pitchers' Battle

BROOKLYN, June 28.—Brooklyn won the first game from Philadelphia today, 5 to 3, but lost the second, 1 to 0. Marquard held the Phillies at bay in the opening except in the eighth inning, when they made three runs by extra base hits and an error. The second contest was a pitchers' battle between Cheney and Oeschger. Philadelphia won in the eighth on Bancroft's double and Cravath's single.

### Pittsburgh Won

PITTSBURGH, June 28.—Pittsburgh won from Cincinnati today, 5 to 2. King replaced Toney in the pitching box for Cincinnati after an avalanche of runs and held Pittsburgh scoreless the rest of the game.

### Bunched Hits

ST. LOUIS, June 28.—St. Louis bunched five of their seven hits off Douglas in the second and seventh innings today and took the last game of the series from Chicago, 4 to 1. St. Louis won three games of the five-game series just concluded.

Newark	000	000	000

Lohman and Wendell; Sandburg; Hennington and Blackwell.

## NORTHWESTERN INFILDER GOES TO BROOKLYN

Bill Leard, Of Seattle Club, Will Finish Season Before Moving.

SEATTLE, June 28.—President Dugdale of the Seattle Northwestern baseball team announced that Bill Leard, the star infielder and captain of the Seattle club, will go to the Brooklyn Nationals at the end of the season, as a result of the sale already announced from Brooklyn.

WONT GO WITH ST. LOUIS  
ST. LOUIS, Mo., June 28.—Robert Becher, left fielder for the St. Louis Nationals, has refused to join the Louisville Association team, according to President Rickey, though the St. Louis club had arranged to pay the larger share of his salary while he played with Louisville. Becher will not go with the St. Louis team when they start on their road tour tonight, Rickey announced. Rickey said today Becher's salary was \$8,200 a year.

## KELLY—EIGHT DOLLARS AND FORTY CENTS IN THE POT

## Sporting Facts and Fancies

The fighting spirit of the Bill Donovan clan seems to be fully aroused. If they keep up their pace they'll be in the thick of the battle for the pennant.

The Red Sox are rejoicing over the come-back of Babe Ruth. He seems to have hit his stride after a slump that lasted for quite some time.

Comiskey parts with \$50,000 just like that. (Business of mapping one's fingers). Sometimes he regrets it, but more often he congratulates himself on the wisdom of his investment. He paid the above-mentioned sum in the above-mentioned manner for Eddie Collins and he thinks Eddie is worth every penny of it. Collins is certainly playing great ball just now.

Rowland has a knack for developing good hitters and he's having great success with Happy Felsch, the White Sox center fielder. Felsch is soaking the pill all over the lot and Rowland wears a satisfied grin every time he connects.

There is considerable talk of finding a place in the American league for the Toronto team when the war is over. The prospect is arousing great enthusiasm among the fans and players, who would be glad to see our northern neighbors come into one of Uncle Sam's big leagues.

That curve ball is worrying Al Mamaux, star moundman of the Pirates. Al intended to make a great showing with this brand of ball but so far he hasn't done very much damage to other teams.

Baseball may yet bring about a better understanding among nations than any other edum. It is the great melting pot, in which all men learn to know each other. In proof whereof you are invited to look over the regular line-up of Connie Mack's famous baseball outfit. In a recent game Rube Schauer, born in Russia, did the pitching, and Meyer, of Polish descent, did the catching. Molnau, of German descent, played at first base, while Grover, a German, covered second. Wit, the shortstop, is of Polish parentage and was christened Wheldamar Witaki. Bates, an Englishman, played third base. In the outfield was that famous ball artist, Ping Bodie, whose real name is Francisco Mizele. He's an Italian, as his name indicates. Another outfielder was Amor Strunk, of German descent, and finally there was Bill Johnson, an unadulterated nephew of Uncle Sam. So watch out and see if the great national game of the United States doesn't prove to be a big factor in bringing about international amity.

Davy Jones' Birthday.  
Davy Jones, the veteran outfielder, who last played with the Toledo team of the American Association, will be thirty-seven years old tomorrow. He reached the height of his fame with the Chicago White Sox, when he played during the 1913 season to go to Toledo.

White Sox, when he played during the 1913 season to go to Toledo. White Sox, when he played during the 1913 season to go to Toledo. White Sox, when he played during the 1913 season to go to Toledo.

## THREE STOLE TO HOME IN SIXTH INNING

Esdales Gave Capitals Lively Game At Diamond Park—Score 7 To 9.

	Won.	Lost.	Pct.
Esdales	3	1	.750
N. W. B.	2	1	.667
Capitals	2	2	.500
Tigers	0	4	.000

Such stunts as three men stealing home in one inning and several double steals, featured the game between the Capitals and Esdales Press, of the Intermediate league, on Diamond Park last night. The Esdales were victors by a score of nine to seven, and Calavan, M. Maloney and L. Grant stole home in the sixth inning, when six of the nine runs were scored. H. Geddes, of the Esdales, knocked out home run in the fifth inning. Godfrey was substituted for J. Malhot for the victors in the sixth inning as a pinch hitter. The game was called after the first half of the seventh.

The lineup was: Esdales—Calavan, ss; M. Maloney, 2b; L. Grant, 3b; M. Keating, c; Turner, 1b; Koch, p; H. Geddes, lf; McCartney, rf; J. Malhot, cf.

Capitals—Herbert, cf; J. Thompson, 2b; G. Thompson, ss; Dewey, 1b; Tidbury, p; McDougall, 1b; Mountfield, c; Dorg, rf; McIntosh, lf.

N. W. B. and G. W. G. will play tonight.

NEW YORK RESULTS  
NEW YORK, June 28.—Acqueduct summary:

First race, five furlongs—Star Spangled won, Corridon second, Umattila third. Time, 1:01 2-5.

Second race, two miles—Ojala won, St. Charles second, Bryn Chant third. Time, 4:17 4-5.

Third race, six furlongs—Starting won, Top o' the Morning second, King's Joker third. Time, 1:13 1-5.

Fourth race, seven furlongs—Straight Forward won, Riverdale second, Ballad third. Time, 1:24 2-5.

Fifth race, four and one-half furlongs—Bally Mooney won, Ros D'O' second, Little Nearer third. Time, 1:46 2-5.

Sixth race, four and one-half furlongs—Bally Mooney won, Ros D'O' second, Onono third. Time, 1:54 3-5.

### MIKE O'DOWN LICKS SOLDIER BARTFIELD

NEW YORK, June 28.—Mike O'Dowd outfigured Soldier Bartfield of Brooklyn in every round but the seventh, a ten-round bout tonight. In the seventh a stiff wallop to the stomach had O'Dowd a trifle groggy, but he came back strong. The weights were: O'Dowd, 153; Bartfield, 148.

### SHOULD PASS HAT

The Chicago White Sox ought to pass the hat among themselves and buy a loving cup for Cicotte. Whenever Manager Roland wants to make sure of garnering a game he puts that well-known mound artist in the box and usually he delivers the goods.

## Help Canada Maintain Her Financial Freedom!

Do Your Share towards Financing the War with Canadian Savings Rather than with Outside Capital.

THE problem of meeting the enormous cost of this war is two-fold. Not only must Canada get the money—most of it, of course, as loans—but she must get as much of it as possible here in Canada.

We can carry the war-debt if the bulk of the interest goes to Canadians, and so is used again in the country's development. But it will be a serious matter for us if a large proportion of the interest has to be sent outside the Dominion.

For the sake of our own and our children's future this drain on our resources must be avoided! Canada's financial freedom can and must be maintained! An average saving of 15 cents a day, invested by each man, woman and child in Canada in War Savings Certificates, would enable us to carry the whole cost of the war. To approach this average, hard work, thrift, self-denial and sacrifice are required of every citizen.

For each \$21.50 you lend the Government now, you will receive \$25.00 in three years—or you can get your money back at any time. Certificates are issued in denominations of \$25, \$50 and \$100, and may be purchased at any Bank or Money Order Post Office.

### WINNERS IN LAST NIGHT'S BOWLING

Two games were played last night on the greens of the Edmonton Bowling club. The following were the results:

Green No. 1—Marion, 15; Barnhouse, 12.

Green No. 2—McTavish, 18; Chapman, 14.

HAMILTON RESULTS  
HAMILTON, One, June 28.—Summary:

Second race, five furlongs—Salvestra won, Miss Bryn second, Hasty Mabel third. Time, 1:03 4-5.

Second race, five furlongs—Red Admiral won, Togoland second; Thomas G. third. Time, 1:04 1-5.

Third race, two miles—Early Light won, New Haven second, Trapagulum third. Time, 4:30 3-5.

Fourth race, five furlongs—Water Lady won, Tyran second, Waukeag third. Time, 1:14 2-5.

HAMILTON, June 28.—Fifth race, one mile—Gainer won; Menlo Park, second; Kathie H. third. Time, 1:48.

Sixth race, six furlongs—Lacy Lord, won; Phillistine, second; Schemer, third. Time, 1:16 3-5.

Seventh race, 1-14 miles—Bryn Limah, won; Reno, second; Fairy Legend, third. Time, 1:50 3-4.

## GENERAL MEETING CITIZENS TO BE CALLED TO CONSIDER STATE OF CITY'S FINANCES

Decision Arrived At By Re-Organized Property Owners' Association—Management Street Railway System Criticized—Announced That Petition Is Being Circulated Calling For Large Reduction Of Expenditure On Police And Streets Departments; Also Public Schools.

A membership of eighty was announced by Secretary R. S. McKenzie at the meeting of the re-organized Property Owners' Association, held last night. There was a satisfactory attendance at the gathering, which was presided over by D. R. Fraser. One of the chief decisions of the meeting was to arrange to call a general meeting of citizens for the purpose of discussing city finances and taxation, the meeting to be held within the next month. This was the first address of the evening was given by R. Lee, whose remarks turned on the subject of taxation and the necessity of finding some way of relieving the general burden.

### City and Bank

L. T. Barclay commented very strongly on the poor figure cut by the city in the Imperial Bank being allowed to frame its policy, and he was supported by A. Neale, who said that it was time they got together and placed the city on a solid basis.

Secretary McKenzie called attention to the action of the board of directors in the city, and said that it should be done to induce the provincial government to pay the city a percentage on the long distance telephone business that originated over the city system, and he suggested that the association should combine forces with the city council and the board of trade in this matter. It was a question that was taken up some time ago by the association, and if carried through would result in a considerable sum being secured for the city. In the collection of license fees, also, the city was dealt with fairly by the government, while the school grant was not so large as that paid to other municipalities.

### Petition For Council

During the discussion it was stated that a petition was in circulation in the city for presentation to the council asking that there should be a large reduction in the expenditure on the police and the streets department and on the public schools.

L. T. Barclay alluded to the favorable position that Edmonton stood in as owner of a public utility, but said that his mind the street railway was operated loosely and without vision. More attention should be given to maintenance and less to the sinking fund. He suggested that a means of assisting to make the system pay that all lines to the outlying subdivisions should be cut off.

Others who took part in the discussion were J. McDonald and A. McSparran, who suggested that a general meeting of citizens should be called to consider taxation.

Attention was called to the manner in which registration was now being carried out, it being stated that

### Supreme Court

Mr. Justice Simmons is hearing the action of Lenna Sutherland and W. B. Sutherland, vs. Edwin I. Clarke. The plaintiff claims damages for \$1,000 and release of an execution. The facts are: The plaintiffs were owners of certain stock which the defendant had seized. The defendant was means of obtaining that stock was the property of Lenna Sutherland, and refused to release seizure. The defendant denies the allegations and claims that the stock is the property of W. B. Sutherland. The case is proceeding. G. R. Porter for plaintiff; G. H. Steer for defendant.

Mr. Justice Simmons gave judgment for the plaintiff in the action of Withnomb vs. McGrath-Hart. The action was one for specific performance, wherein the plaintiff claimed cancellation of plan and lease and occupation of premises now known as the Orpheum Arcade. R. D. Tynes for plaintiff; H. H. Paries, K.C., for plaintiff.

Mr. Justice Simmons dismissed the issue, being tried in the action of W. Bradburn vs. James Armstrongs, H. H. Paries, K.C., for plaintiff; S. B. Woods, K.C., for defendant.

### District Court

In the case of the King vs. James Sutherland in the district criminal court, the accused pleaded not guilty before His Honor Judge Cawdry to a charge of keeping a disorderly house and that he lived off the avails of prostitution. The case is proceeding. E. E. Cogswell for the Crown; G. W. Massie for defendant.

### Personal.

Alex Stuart, K.C., has returned from a month's trip to the east, during which he attended the general assembly.

## J. L. TIPP SPEAKS TO ROTARIANS

Gives Interesting Address on Men's Tailoring Industry Weekly Luncheon

J. L. Tipp, the Rotary tailor of the city, was the speaker at the regular weekly Rotary luncheon on Wednesday night. He gave an interesting talk on the men's tailoring industry. He spoke of the circumstances which led to the dominant position which England has assumed in the woolen industry of the world and detailed the progress which has been made in the manufacturing methods of men's clothing during the present generation. T. B. Thompson acted as chairman for the day.

## DOMINION DAY CELEBRATION EX. GROUNDS

Attractive Program—Choruses By School Children—Historical Tableaux.

Edmontonians who will spend the holiday in the city will have a fine opportunity of enjoying the afternoon at the celebration at the exhibition grounds in honor of the 50th anniversary of confederation.

A very attractive program has been prepared, a feature of which will be the singing of a choir of about a thousand school children under the musical director of the public schools. Then there will be folk dances by the children, vocal solos, music by the band of the Edmonton city band, and tableaux by the cadets and the militia. The tableaux will depict various phases in the life of the Dominion. The refreshments will be in charge of the Red Cross, and the guests of the evening, including the great gathering that is anticipated if the day be fine.

## MINES CONTROL IS BROUGHT UP IN PARLIAMENT

Minister of Labor Hopes Northern Miners Will Return to Work

Ottawa, June 28.—When the House met a large number of petitions against conscription were presented by French-Canadian members, and also by Hon. Chas. Murphy, member for Russell county, Ontario.

Sir Robert Borden moved for morning sittings of the House commencing on Tuesday next. He objected that morning sittings should not be started until after the debate on the second reading of the conscription bill has been concluded.

Sir Robert asked if the leader of the opposition could give him some idea as to when it would be possible to take division. Sir Wilfrid Laurier replied that he thought it would be possible for him to give the government an answer tomorrow. The motion was allowed to stand over.

Hon. T. W. Crothers, read a telegram from W. H. Armstrong, director of coal mines in district 18, stating that the miners would return to work on Tuesday next. Mr. Armstrong stated that he would remain in the west until the mines are opened and then proceed to the capital.

Mr. Oliver wanted to know if the control of the coal mines in the Edmonton district would be assumed by Mr. Armstrong. Mr. Crothers said that they were not in district 18. He hoped that the northern miners would follow the example of district 18 and return to work.

## NORTH EDMONTON

A visitor to North Edmonton a few days ago remarked that the last time he stood on the corner of 68th street and the Fort trail he watched a strenuous game of football between Swift's team and the George's, and today the whole playing ground is turning green with potato tops.

The football and baseball ground has been ploughed and put into shape by the Swift Canadian company and the privilege of using it given to employees who care to do so, and today the plots (all surveyed 20x100 feet) are showing exactly the amount of energy and enterprise possessed by their various owners. Most of the boys who showed their talent as sportsmen are now doing their duty to their country and some of them have already shown that their great fighting spirit on the playing field was the true stuff and did not desert them in France, where North Edmonton is well represented.

We have one man in North Edmonton who has taken advantage of the vacant lots club to the full extent. J. F. Geise (The Old Chief) has now planted over six thousand cabbage plants and hopes to have by the end of this week his full amount all safely planted. He is not sure, however, that the whole plot is not ten thousand is the figure for cabbage.

A very successful ice cream social was held in connection with the McQueen Presbyterian church on Monday evening, June 26th. The ice cream was attacked in great style and up till dusk the children enjoyed themselves with games on the lawn, after which the children and adults went into the church, where a splendid impromptu programme was carried out. Songs were given by Mrs. J. Bryce, Miss Daisy Hutton, Miss Jean Symington, Miss Mary Symington, Miss L. Fairgrieve, Miss L. Hutton, Miss Anstey and Kathie Hutton and James and Kathie Bryce. Mrs. J. Dealy and Mrs. J. Bryce accompanied the artists on the piano and Mrs. T. Campbell gave a piano solo, after which every one joined heartily in singing God Save the King.

## SPECIAL FROM LAC LA BICHE

In order to suit the convenience of holiday-makers the E. D. & B. C. railway are running a special train from Lac la Biche at 6:30 Monday night, reaching Edmonton at 1:15.

## VETERANS ARE ENTERTAINED AT GARDEN PARTY

Successful Affair Under Auspices Of Metropolitan Church, South Side.

The garden party given at Metropolitan Methodist church, South Side, last night, at which the returned soldiers from the Military Hospital, the Convalescent Home and the Great War Veterans club were the guests of honor, was a great and memorable success from every point of view. This was very largely due to the painstaking and loving preparation and execution done by the members of the church, especially the women, which bore its perfect fruit when the gates were opened and the incoming throngs made their way.

The party was held on the lawn on the east side of the church, in connection with the grounds of Dr. Crang, which had been most kindly offered for that purpose. Gaily decorated booths, a profusion of bunting, and, later, the variegated lights of many lanterns transfigured the spot into a bower of beauty. Many compliments were directed to those who were responsible for the arrangements.

1,000 Guests Attended. About 1,000 people attended the party and every one of them was enthusiastic over the splendid way in which it was carried out. The soldiers, as they were entering the automobile for their homes, did not think there will be much difficulty in securing the buildings for the use of the children. No objection will be raised by the Exhibition Association, but the permission of the military authorities will have to be obtained, as they are still in occupation of the militia department.

The day nursery is a part of the work carried on by the Children's Aid Society, and is located at the old Grand hotel on Fraser avenue. The object of taking the children to the exhibition buildings is in order to be close to the East End Park, where the children can play all day long and secure the advantage of the open air life.

J. McCoppen, chairman of the day shelter nursery committee, says that during the last year or so, by the kindness of Mr. McLaughlin, of Spruce Grove, the children have occupied a house on his farm during the summer months, but this year the house has to be used for other purposes and therefore the children have no place to go, as no other building could be obtained in the vicinity. It is necessary that the little ones should be housed in a building. Tents are unsuitable, as they cannot be heated when some warmth is necessary and are inconvenient for looking after the children. An opportunity is thus presented for anyone who has suitable premises near the city to perform a kind action by placing them at the disposal of the nursery committee. There are forty-two promising young Canadians in the nursery and they are worth looking after.

Plenty of Entertainment. Music was provided by the Reserve Militia Band. Inside the church the Epworth League presented a series of tableaux depicting historical characters and events which were highly commended. Sam Dalton did splendidly in his well-known specialties and aroused much laughter and applause. Mr. Warren recited the address of welcome delivered by T. DeWitt Talmage to the returning veterans of the Civil War in the great cathedral of St. Peter's.

The Edmonton City Dairy made a generous donation of ice cream which was much appreciated. The members of the Edmonton Automobile Club provided motorcars for the soldiers and Mr. Turner was indefatigable in seeing that the boys were well taken care of. H. D. Ainly and H. B. Brown, of the city, were all for their good work in arranging and decorating the booths. Mr. E. Val Tilton, pastor of Metropolitan.

was chairman of the evening and, as usual, it was a most successful and instructive faculty that the general success of the function as a whole was largely due.

The receipts of the garden party are to be devoted to the maintenance of the monthly bulletin of news and gossip which Metropolitan church sends to its boys in the trenches.

RED CROSS PICNIC AT NAMAO. A Red Cross picnic will be held in Namao park on Monday afternoon July 2nd. Sports begin at 2 p.m. and will include baseball, basketball, races for the children, baseball, basketball, a slow automobile race, and many other interesting events. Addressed by the Red Cross on the 2nd. The picnic will be given by wounded soldiers. Supper will be served by the ladies of the community at 6 o'clock.

MISS STINSON FLIES 500 MILES IN U.S. The following telegram has just been received from Miss Katherine Stinson's manager, Mr. Pickens:

"Miss Stinson using army plane flew from Albany, three hundred miles, yesterday, and from Albany to Washington via New York and Philadelphia, a total of five hundred miles, today. She leaves with plane Tuesday night for Western Canada."

## CHILD'S SEVERE STOMACH TROUBLE

Harrison (Ont.) Father Says Dr. Cassell's Tablets Saved His Child's Life.

Mr. Corby, Harrison, P.O. Ont., writes: "Our little girl was weak from birth, and though we tried doctors' medicine and other things she got no better. She just lay in her cot and cried. Her mother and I did not save her. The doctors said her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us. We were so happy to hear of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. Publish this letter if the Tablets helped us."

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold F. Ritchie & Co., Ltd., 10 McGill street, Toronto.

Dr. Cassell's Tablets are the surest home remedy for Dyspepsia, Kidney Trouble, Sleeplessness, Anemia, Nervous Affections, Nerve Paralysis, Palsy, and all the ailments of the system. It is a valuable for nursing mothers and during the critical periods of life. Sold by druggists and storekeepers throughout Canada. Price: one tube, 50 cents; six tubes for the price of five. Beware of imitations said to contain hypophosphites. The composition of Dr. Cassell's Tablets is known only to the proprietors, and no imitation can ever be the same.

Sole Proprietors: Dr. Cassell's Co., Ltd., Manchester, Eng.

## LAST CHANCE TO REGISTER AT NINE NEXT SATURDAY

During Present Week 537 Citizens Have Had Names Put on Lists

For the three days that the municipal registration has been in progress this week, 537 persons have called at the two central offices and recorded their names. Out of the total, 94 registrations were made on the South Side and the remainder on the north. The offices close positively for the last time on Saturday evening at nine o'clock, so there is no time to lose on the part of those who have not yet made their call.

## EX. BUILDINGS FOR CHILDREN DAY NURSERY

Manager Stark Says No Objection Will Be Raised By Association.

Manager Stark of the Exhibition Association, to whom the application that the children from the day nursery should be located in a part of the exhibition buildings during August was referred, says he does not think there will be much difficulty in securing the buildings for the use of the children. No objection will be raised by the Exhibition Association, but the permission of the military authorities will have to be obtained, as they are still in occupation of the militia department.

The day nursery is a part of the work carried on by the Children's Aid Society, and is located at the old Grand hotel on Fraser avenue. The object of taking the children to the exhibition buildings is in order to be close to the East End Park, where the children can play all day long and secure the advantage of the open air life.

J. McCoppen, chairman of the day shelter nursery committee, says that during the last year or so, by the kindness of Mr. McLaughlin, of Spruce Grove, the children have occupied a house on his farm during the summer months, but this year the house has to be used for other purposes and therefore the children have no place to go, as no other building could be obtained in the vicinity. It is necessary that the little ones should be housed in a building. Tents are unsuitable, as they cannot be heated when some warmth is necessary and are inconvenient for looking after the children. An opportunity is thus presented for anyone who has suitable premises near the city to perform a kind action by placing them at the disposal of the nursery committee. There are forty-two promising young Canadians in the nursery and they are worth looking after.

PUT OUT POISON FOR CAT; KILLED CHICKENS; FINED A. Gourley is Convicted on Charge and Given Fine of \$10

Speaking to the charge of unlawfully killing a cat preferred against Andrew Gourley, of 1021 1/2 14th street, in the police court Thursday morning, J. W. Heffernan, crown prosecutor, stated the police have received complaints of the poisoning of two cats and the death of a chicken within the past two months, and said this poisoning must be stopped.

According to his own testimony, Gourley purchased a quantity of strychnine for the purpose of poisoning a cat he thought was stealing chickens from his yard. He placed five or six pieces of meat in his chicken yard, each containing a quantity of strychnine. A black and white cat, the property of Captain Edwards of No. 2 firehall, that was a pet of those employed there, was poisoned by strychnine on or about June 8th. It was the death of this cat that Gourley was charged with.

Captain Edwards, while on the witness stand testified that he had lost a dog through poisoning and thereby a litter of pups was left motherless. He also stated that several other dogs in the locality had died about this time. Gourley conducted his own defense and stated he placed the poisoned meat out in order to kill a grey cat. He had no strychnine in his possession, he was fined \$10 and costs of fifteen days in jail.

J. J. Wood and Jack Hays were fined \$2 and \$4 and costs respectively for a breach of the motor vehicles act.

The charge of murder that has been standing against Peter Caspary was formally dropped by the crown prosecutor of the attorney-general's department. Caspary is in Ponoka asylum for the insane.

Eugene Van West, who is facing three charges of breach of the liquor act, was adjourned until Friday morning.

## MINES TO REOPEN ON TUESDAY NEXT

Calgary, June 28.—That the mines will positively re-open Tuesday, July 3rd, was the announcement made this afternoon by coal commissioner Armstrong. The operators are getting busy for the opening of the mines and the miners, he confidently expects, will start work in the regular channels. The operators by the men is not officially recognized by the government.

PERMIT FOR NEW SCHOOL. The building permit for the new school at Jasper Place was issued by the Building Inspector on Thursday. The cost is in the neighborhood of \$3,000 and the work will be carried out by the Public Schools Board, under the direction of Building Commissioner Storey.

AGREEMENT TERMINATED. The Alip Brick and Supply Co. have terminated their agreement with the city for a street railway spur on their property, the reason being that the plan has not been in operation for three years. A cheque for the rent of the spur to date has been forwarded to the commissioners.

FOR SPECIAL DUTY. OTTAWA, June 28.—Major Campbell Stuart, formerly of the Irish rangers, who recently returned from the front, has been attached for special duty to Lord Northcliffe's mission to the United States.

## DOCTORS URGE GOVERNMENT TO CREATE DEPARTMENT OF PUBLIC HEALTH IN ALBERTA

Say That Conditions Are Not Receiving The Attention They Should Have—Popular Ignorance Held To Be Responsible For Infant Mortality In Province—Vigorous Educational Campaign Advocated—Government Will Be Approached.

A movement has been set on foot backed by the medical men and dentists of the city, for the creation of a separate department of public health under a responsible head, with wide initiative and executive powers, under the provincial government. The proposal will be pushed energetically and its sponsors are confident of success.

Problems Face Province. At a combined meeting of the Edmonton Academy of Medicine and the Edmonton Dental Society, held at the Macdonald Hotel Wednesday evening, Dr. Irving Bell read a paper dealing with some of the problems facing the province in regard to public health, in which he declared that the matter of public health in this province was not receiving the importance it deserved and that Alberta compared unfavorably in this respect with some of the other provinces. Dr. Bell advocated the carrying on of a vigorous educational campaign in the schools and press, saying that the ignorance of the public in regard to matters of health was one of the principal contributory causes to our high infant mortality.

Dr. Bell also mentioned the pressing questions of tuberculosis and venereal diseases and mentioned the beneficial influence to be derived from a good workable public or social insurance bill.

Dr. Hope's Scheme. Dr. E. G. Hope followed, suggesting

a workable scheme whereby all matters of public health could be systematically handled through a special department formed for that purpose. He emphasized the fact that the matter of fundamental importance was the recognition by the province of the right of every child brought up within its boundaries, in addition to a liberal education and sound moral training, to receive such attention to its physical welfare as shall bring it to maturity in the possession of the fullest physical perfection possible in that child.

Resolution Adopted. A lively discussion ensued and the following resolution unanimously carried: "That in the opinion of this meeting we deem the matter of public health of the province of such pressing importance that immediate steps should be taken with the view of bringing such influence to bear upon the provincial government as will bring about the establishment of a department of public health, believing, as we do, that only by the establishment of such a department can the urgent questions requiring attention be properly and adequately dealt with."

A committee of seven members was formed to give effect to this resolution and the proposals outlined therein will be submitted to the government in the near future. The committee met last night at Dr. Hope's office to perfect its arrangements.

## BOY WINNERS ARE TO BE GUESTS OF FAIR DIRECTORS

Successful Pupils in Competitions at Agricultural Schools Are Announced

The winners in the essay competition put on by the Edmonton Exhibition for boys attending the Agricultural schools at Olds, Claresholm and Vermilion, have now been announced as follows:

Olds School: Ralph Baird, Tilly, Alta.; Alvin Seymour, Donald, Alta.; John Martin, Dairo, Alta. Ed. W. Phillips, Langdon, Alta.

Vermilion School: A. S. Ward, Clairmont, Alta.; Vernon Meakier, Yonker, Sask.; L. W. Bryant, Craighill, Alta.; R. H. Dunlop, Cairn, Alta.

Claresholm school: Milton Hansen, Aetna, Alta.; Ross Walker, Reid's Hills, Alta.; Wesley Smith, Craighill, Alta.; Nelson Fraser, High River.

The winners in this contest were determined by their standing in the year's work at the school, also by the marks obtained in an essay competition on the subject of "Why I expect to become a Farmer." The winners will be the guests of the Edmonton Exhibition Association at the coming summer fair.

## Women's Police Court

At the Women's Police Court on Thursday morning a girl named Helen Simpson, aged 19, appeared on a charge of perjury arising out of information given by her to the police in connection with the case of the "Why I expect to become a Farmer." The hearing was adjourned till July 3rd.

## PICNIC OF ST. MARK'S.

On Saturday, June 30th, there will be held at the summer resort of St. Mark's church of the First Born a picnic for children. It will start at 9 o'clock in the afternoon. Refreshments will be served from 10 to 12. Everybody is welcome. Any contributions from citizens for the benefit of the picnic would be greatly appreciated. Several contributions have already been given. The location of the summer resort is on 96th street, between Boyle and Isabella streets. The picnic is being organized under the personal direction of Archbishop George W. Washington of St. Mark's Church of the First Born.

ASKS FOR SIDEWALK. "The taxes on the property are all paid so far as my lots are concerned," says Ferdinand Martel, of North Edmonton, who asks if it is too late in the year to ask for a sidewalk to be put on the corner of 67th street and 124th avenue. The applicant owns eleven lots in the subdivision of Santa Rosa, and there are 25 served from the property. It is also stated that the taxes are higher in the locality than in some districts where they are supplied with sidewalks.

Traffic Manager, E.D. &amp; B.C. Hwy.

## Behind the Footlights

What the Advance Man says.

MUSICAL THEATRE AT PANTAGES NEXT WEEK

Patrons of the Pantages theatre next week will hear some of the finest singing in vaudeville when "The New Producer" comes with a cast of eight people, most of them song birds. Unlike most grand opera acts "The New Producer" has a strain of comedy running through the action besides a considerable amount of singing. Morn and Wiser are two booming throwers who use ordinary straw hats in the performance of their tricks. This team has been in Edmonton before and their work before audiences is interesting and amusing. Devine and Williams are fun-makers of the better type. Their material is all new and is delivered in such a rapid-fire manner it keeps audiences on the alert to grasp their points. They are known as "The Traveling Salesman and the Female Drunken" and their comedy and second acts are "The Curzon Sisters," the original "human butterflies," and "Harvey Coleman, the likable ventriloquist."

The bill headlined by Charles Abear and company, cyclists, will be offered here the last time Saturday afternoon and evening. Other acts on this bill consist of "The Birth of a Rose," dancing novelty; "The Curzon Sisters," and "The Curzon Sisters," the original "human butterflies," and "Harvey Coleman, the likable ventriloquist."

ROSCELO FATTY ARBUCKLE  
in "A RECKLESS ROMEO"  
PARAMOUNT-ARBUCKLE COMEDY

Showing at the Monarch Theatre Today and Tomorrow.

representing them by means of excellent photography; the scenes are of constant delight to the eye, and many of them must have been obtained at the expense of great work and patience. The work of Mr. Walsh and Miss Luther is good and consistent, and they have been surrounded by an excellent company. Here is the story in brief: Walsh is a ranchman; Anna is a girl who is in love with him. She is on a trip through the west with her father and a party on a special trip, which is headed by a man who is a ranchman. She is on a trip through the west with her father and a party on a special trip, which is headed by a man who is a ranchman. She is on a trip through the west with her father and a party on a special trip, which is headed by a man who is a ranchman.

**HER BETTER SELF**  
AT MONARCH  
Thomas Meligan, who is appearing with Pauline Frederick in "Her Better Self," the famous Players-Paramount picture which is the feature attraction this week at the Monarch theatre, says that playing opposite this strenuous star is the hardest work he ever did—not excepting football and sawing wood—for if there are any "nuts" and "business" in the picture, it is in this picture. He says that he is a "beast" in the picture, and that he is a "beast" in the picture, and that he is a "beast" in the picture.

**MAJESTY**—Today's program is as usual a long one and includes Harry Carey in a 5 act feature "The Fighting Dringo," a tale of the Mexican border. It is without a doubt Mr. Carey's best. There are plenty of thrills and tense situations. One is bound to feel satisfied after viewing the latest work in the latest play. Then there is "The Voice on the Wire," the usual L. K. O. Comedy, the universal weekly with the latest news from the States, a full 2 hour show and not a dull moment in the entire program shown today and Saturday.

**"KITCHENER'S MOB" AUTHOR IS KILLED**  
Paris, June 28—Corporal James Hall, of Colfax, Iowa, a member of the Lafayette Escadrille, which is composed principally of American aviators, is believed to have been killed in an encounter with seven German airplanes, according to the Herald. He was shot through the lung. His machine fell within the French lines. Corporal Hall, who was the author of "Kitchener's Mob," joined the American squadron a short time ago after being wounded in the British army and discharged. He brought down a German airplane four days ago. Sub-Lieut. Dorne, one of the most skillful aviators who has been credited officially with bringing down 23 German machines, has been missing since he flew over the enemy's lines on May 26 on a scouting mission. His fate is unknown.

**Why "Anuric" is an INSURANCE Against Sudden Death.**  
Before an Insurance Company will take a risk on your life, the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-head, dizziness, dizzy spells, the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N.Y. Send him 10 cents for sample package of his new discovery, "Anuric." Write him your symptoms and send a sample of urine for test. Experience has taught Dr. Pierce that "Anuric" is the most powerful agent in dissolving uric acid, as hot water melts sugar, being absolutely harmless. It is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, it clears the heart valves of any sandy substances which may clog them and checks the degeneration of the blood-vessels, as well as regulating blood pressure. "Anuric" is a regular insurance and life-saver for all big meat eaters and those who do not line their hearts with fruit. Ask the druggist for "Anuric," put up by Dr. Pierce, in 50-cent packages.

**STRENGTH AND BEAUTY**  
Come with Dr. Pierce's Golden Medical Discovery. This is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart, nerves, brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and vigorous instead of tired, weak and faint.

**WIRELESS HERO IN FLYING CORPS**  
New York, June 27—John Robinson, (Jack Binns), wireless hero of the White Star liner Republic disaster, Jan. 28, 1915, when he saved hundreds of lives, through his calls for aid, today joined the British Royal Flying Corps at the recruiting station here and left immediately for a Canadian training station.

## FUEL POSITION VERY SERIOUS SAYS OFFICIAL

Report of Secretary of Saskatchewan Government Bureau of Labor

Regina, Sask., June 28—That it will be impossible to secure a sufficient supply of coal to meet the requirements of this province, during the coming winter, even if all the Alberta coal mines are to resume operations at once, and that citizens should use wood in the early fall months and all other times when weather conditions permit, are the two outstanding facts contained in the report, which has just been issued by the government bureau of labor, who has given the coal situation considerable attention. He has returned from a tour of the western mines where he was sent by the provincial government to ascertain as accurately as possible the true conditions and the prospects of the province securing an adequate supply of coal.

"The fuel situation," says Mr. Molloy, "is indeed very serious and every possible effort should be made to awaken the public interest in order to prevent, if possible, a serious condition which at present seems inevitable during the coming winter."

**COMMITTEE PASS BILL TO BUILD SCENIC RAILWAY**  
Immediate Object to Construct at Banff—Company's Operations Limited  
Ottawa, June 28—The railway committee of the Commons this morning passed in an amended form the bill to incorporate the Cascade Scenic Railway Company, which was held up some time ago because the company sought the power to construct scenic railway in all parts of Canada. The immediate object being to build a scenic railway at Banff. The bill as passed today restricts the operations of the company to Dominion government parks in the provinces of British Columbia and Alberta, subject to the approval of the minister of the interior. The head office of the company will be in Winnipeg. H. B. Lyall, E. J. Burleigh, J. A. McCallum and Edward Anderson.

The senate bill to incorporate the Kenora and English River Railway Company was reported. Alex. Smith, counsel for the company, said that the purpose of the railway is to develop a large pulpwood industry. Incidentally there would be some agricultural and mining developments. The authorized capital is two million dollars and the head office at Toronto.

**IF WITNESSES CALLED, HEARING WILL BE PUBLIC**  
Assurance Regarding Investigation Into Galt Charges Against Hon. R. Rogers  
Montreal, June 28—Any evidence taken by the McLeod-Tallier commission on the charges affecting Hon. Robert Rogers will be in public. This point Sir Ezekiel McLeod made clear this morning. "We have not yet decided whether we shall have witnesses to call," he said. "We are now studying the evidence taken by the Galt commission, but if we do call witnesses you may be assured that there will be no secrecy. Everything will be public and we shall give full notice of our intentions to that effect. In the event any witnesses are called. Here Judge McLeod turned to his colleague, Sir Ezekiel, and asked: "I am right in that, am I not?" "That is quite correct," Judge Tallier replied.

## Winnipeg Grain Market

Winnipeg, June 28.—Continued uncertainty as to Government action in both United States and Canada was again reflected in the markets. All markets opened lower and worked in some degree. Winnipeg October was down 1/4c to 105 1/2; July oats were 1/4c lower at 105 1/2; October 1/4c lower at 105 1/2.

Minneapolis opened 1/4c lower for July at 105 1/2; September 1/4c lower at 105 1/2. There were 75 cars inspected, out of which 121 were contract.

Weak wheat markets everywhere. Winnipeg October closed 1/4c down; July oats 1/4c higher, closing 105 1/2; and December 1/4c higher, with a good demand. Flax 1/4c down for July and 1/4c for October. Manitoba July was 1/4c down to 105 1/2; October 1/4c lower.

The demoralized condition of the American cash wheat market, the continued uncertainty of Government action and the trying up by various exchanges of the ordinary market, have resulted in a curious reaction of the values. No. 1 Northern wheat in Minneapolis was fluctuating from \$2.35 to \$2.40 per bushel. No. 1 Northern was around \$2.35. But on lower grades beginning with No. 3 Northern the decline was more marked.

Winnipeg cash demand was good, both for government and mill, with offerings from the United States, but the situation is that the United States has considerable low-grade wheat and very little No. 1 and No. 2, and the market for low grades, while at Winnipeg the arrangement with the Government agents has provided a better outlet.

CHICAGO GRAIN MARKET. Chicago, June 28.—Prospects of immediate embargo to reduce wheat exports to Europe, which have been a downward impulse today to wheat values.

The market was affected also by optimistic crop advice, especially from the spring wheat region. Opening quotations were 1/4c higher, with a good demand. Flax 1/4c down for July and 1/4c for October. Manitoba July was 1/4c down to 105 1/2; October 1/4c lower.

Corn prices weakened as a result of rains in Kansas where drought had been complained of in shipments of late, and hand indicating that a large amount of corn still remained to be marketed in Illinois. After close, the market was a little higher, but a moderate additional set-back, before a recovery began.

Corn eased down in shipments of late, and a bearish effect on provisions. Announcement late in the session that the Government would not be abolishing the distribution of wheat, both for domestic and export purposes, and that option trading in wheat would be abolished, brought the market to almost a standstill. Business in the future delivery market was entirely dead.

Close was steady, 1/4c to 1/2c lower, with July at \$2.01 and September at \$1.91 1/2.

CHICAGO CASH CLOSE. Chicago, June 28.—Close cash wheat—No. 2 red, No. 3 red, No. 4 hard, all nominal.

MINNEAPOLIS CASH CLOSE. Minneapolis, June 28.—Close cash wheat—No. 1 hard, 24 to 24 1/2; No. 1 Northern, 24 to 24 1/2; No. 2 Northern, 24 to 24 1/2; No. 3 wheat, 19 to 21 1/2.

Winnipeg Live Stock. Winnipeg, June 28.—Union Stock Yards receipts today were 400 cattle and 1,400 sheep. Cattle trading was slow, and prices fully 25c to 50c lower since Monday's market on all grades of cattle. Stockers are a shade lower, also, and are also at much easier prices. Veal calves steady. Milch cows in good demand at steady prices. Hogs steady. Quotations: Hogs—Selects, 10.00 to 10.15.

ST. PAUL LIVE STOCK. St. Paul, Minn., June 28.—Hogs: Receipts, 5,000 steady; range, 14.25 to 15.25; bulk, 14.50 to 14.75.

Cattle—Receipts, 3,400; killers 10c to 15c lower; steers, 10c to 15c lower; heifers, 7.25 to 10.50; calves steady, 5.00 to 12.75; stockers and feeders 50c lower for the week, 5.00 to 8.50.

Sheep—Receipts, 650, steady; lambs, 7.00 to 13.00; wethers, 7.00 to 10.25; ewes, 6.00 to 9.50.

CHICAGO LIVE STOCK. Chicago, June 28.—Receipts, 10,000; unsettled, 10 cents lower; receipts, 10,000; unsettled, 10 cents lower; receipts, 10,000; unsettled, 10 cents lower.

CHICAGO CASH CLOSE. Chicago, June 28.—Close cash wheat—No. 2 red, No. 3 red, No. 4 hard, all nominal.

MINNEAPOLIS CASH CLOSE. Minneapolis, June 28.—Close cash wheat—No. 1 hard, 24 to 24 1/2; No. 1 Northern, 24 to 24 1/2; No. 2 Northern, 24 to 24 1/2; No. 3 wheat, 19 to 21 1/2.

Winnipeg Live Stock. Winnipeg, June 28.—Union Stock Yards receipts today were 400 cattle and 1,400 sheep. Cattle trading was slow, and prices fully 25c to 50c lower since Monday's market on all grades of cattle. Stockers are a shade lower, also, and are also at much easier prices. Veal calves steady. Milch cows in good demand at steady prices. Hogs steady. Quotations: Hogs—Selects, 10.00 to 10.15.

ST. PAUL LIVE STOCK. St. Paul, Minn., June 28.—Hogs: Receipts, 5,000 steady; range, 14.25 to 15.25; bulk, 14.50 to 14.75.

Cattle—Receipts, 3,400; killers 10c to 15c lower; steers, 10c to 15c lower; heifers, 7.25 to 10.50; calves steady, 5.00 to 12.75; stockers and feeders 50c lower for the week, 5.00 to 8.50.

Sheep—Receipts, 650, steady; lambs, 7.00 to 13.00; wethers, 7.00 to 10.25; ewes, 6.00 to 9.50.

CHICAGO LIVE STOCK. Chicago, June 28.—Receipts, 10,000; unsettled, 10 cents lower; receipts, 10,000; unsettled, 10 cents lower; receipts, 10,000; unsettled, 10 cents lower.

CHICAGO CASH CLOSE. Chicago, June 28.—Close cash wheat—No. 2 red, No. 3 red, No. 4 hard, all nominal.

MINNEAPOLIS CASH CLOSE. Minneapolis, June 28.—Close cash wheat—No. 1 hard, 24 to 24 1/2; No. 1 Northern, 24 to 24 1/2; No. 2 Northern, 24 to 24 1/2; No. 3 wheat, 19 to 21 1/2.

Winnipeg Live Stock. Winnipeg, June 28.—Union Stock Yards receipts today were 400 cattle and 1,400 sheep. ## Edmonton Markets

Edmonton, June 28.—Government plans for food control, according to a statement given out here today by President Griffin of the Board of Trade, include absolute control of the wheat trade in all its commercial aspects. There can be no speculation in it. Buying and selling of other grains for present or future delivery will be unrestricted.

## Adventures of Uncle Wiggily

Uncle Wiggily and the Do-Do

Copyright, 1917, by McClure Newspaper Syndicate.

"I declare!" exclaimed Nurse Jane Fussy Wuzzy, the milkmaid lady housekeeper for Uncle Wiggily Longears, the rabbit gentleman, "I declare, I'll never get it done—never!"

"What?" asked Uncle Wiggily.

"All this housework," answered Miss Fussy Wuzzy. "You see, going over to call on Mrs. Bushytail, the squirrel lady, last night I didn't wash the supper dishes, and now I have them to do, and also the breakfast dishes and the sweeping and dusting and I ought to bake a cake, and mend some of your socks and—"

"Whom?" called Uncle Wiggily with a jolly laugh, as though he had spoken to Munchie Trot, the pony. "That's enough! Don't say any more. You have too much work to do."

"And I'm worried about it," said Nurse Jane.

"Don't be," advised the rabbit gentleman. "I'll stay and help you do it."

"No," said Nurse Jane. "Thank you just the same, but I'd rather you wouldn't stay, because the hollow stump bungalow when there is so much to do, you might get in my way and I'd step on you. That would give me the frights. It is very kind of you, but you'll go off and have an adventure. I think that will be best."

"Just as you say," agreed Uncle Wiggily. "But I'd like to help. Can't you bring me a diamond diamond or a gold wash rag from the five and ten cent store?"

"Not! Hop along with you!" laughed Nurse Jane. "I dare say I'll manage somehow."

So Uncle Wiggily hopped along, over the fields and through the woods, and then he suddenly saw a hollow stump bungalow. "I know what I'll do. I'll play a little trick on Nurse Jane. She shouldn't spend so much time in the kitchen. A little is all right, but there is too much trouble about housework. Here I go off and have an adventure and she has to slop around in dishwater. It isn't right!"

Then the rabbit gentleman hopped along until he came to a woodland telephone, made from a trumpet vine flower, and into that he called, speaking right into his own hollow stump bungalow and to Nurse Jane:

"Oh, Miss Fussy Wuzzy!" called Uncle Wiggily. "Can you come over to Mrs. Wiggible's duck house right away?"

"Why, yes, I can," answered the muskrat lady. "Though I have a lot of work to do, what's the matter?"

"I'll tell you when you get there," said the voice of Uncle Wiggily, pretending he was Mrs. Wiggible. "Mrs. Wiggible herself, and told her how he had fooled Nurse Jane, and asked the duck lady, when the muskrat lady housekeeper came, to keep her visiting as long as she could."

"And while Nurse Jane is at your house, Mrs. Wiggible," said Uncle Wiggily, over the trumpet vine telephone, "I'll run the paper and do the housework, and I'll be done and all the work."

"That will be a nice surprise for Nurse Jane," said the duck lady.

Uncle Wiggily guessed so, too, and when he thought Nurse Jane was safely at Mrs. Wiggible's home, he went to the bungalow and told her, in a low voice, that he had a red, white and blue striped rheumatism crutch, and began with the dishes. There was a large pile of them but Uncle Wiggily was brave.

"When I was a soldier I fought many more mosquitoes than there are dishes here," he said. "I will make believe the plates and saucers are the enemy, and I will charge on them and soak them."

And Uncle Wiggily did, with a cake of soap for a gun and washing powder to fire with. But still and with all, there were many dishes, and when he thought of the beds to make, the sweeping and dusting and the socks to mend, Uncle Wiggily said: "Oh dear!"

"What's the matter?" asked a voice behind him, and turning, he saw a queer bird, which had a tall like that of a mouse.

"Oh, I'm glad to see you!" said Uncle Wiggily. "But I can't go and have an adventure with you, Alice, as I have to do all these dishes. Then I have to do the sweeping and do the dusting and do—"

"That's enough!" laughed Alice. "There are too many do-dos. I am just in time. I see. My friend will help you, and she pointed to the queer bird.

"What?" cried Uncle Wiggily. "Can he do dishes?"

"He can do anything!" laughed Alice. "He is the Do-Do bird, and all I have to do is to pinch his tail and he will work very fast."

"Doesn't it hurt him?" asked Uncle Wiggily.

"What, to work fast?" Alice wanted to know.

"No, to pinch his tail!"

"Not in the least," answered Alice. "He's used to it. The only trouble is I have to keep on pinching it to make him do things, and that means I have to keep my finger and thumb on his

tail all the while and follow him around. Now we'll begin to pinch the bird's tail."

At once the bird began to wash the dishes, and soon they were all done. And when the Do-Do started to do the beds Uncle Wiggily thought of a new plan.

"As long as you have to pinch his tail," said the bunny to Alice, "I'll give Nurse Jane's hair curlers. You can snap them on his tail and they'll keep pinching on it and you and I can go take a walk."

"Fine!" cried Alice. So with the hair curlers pinching his tail the Do-Do bird quickly did all the bungalow housework, and Uncle Wiggily and Alice had a fine walk. And when Nurse Jane came home from Mrs. Wiggible's and found the work all done she was very happy, and so was the Do-Do, for he loved to do dishes.

And if the teacup doesn't try to hide in the milk pitcher, where the bread is, I'll tell you about Uncle Wiggily and the Lory.

### Letters to Uncle Tom

**Big Garden**

Dear Uncle Tom—This is my fourth letter to your club. Our garden is big now. We are eating, and we will eat the lettuce, peas and other vegetables are big too. The strawberries are getting big also. We are having about twenty-two little turkeys and we have ducks and geese and all sorts of little chickens. I go to school every day. I am closing my letter for this time and will write another soon.

RUTH E. JENSEN.

**Doing Road Work**

Dear Uncle Tom—This is my third letter to your Aladdin Club. I received my badge about a month ago. I have a new baby sister a week old. I have been doing road work for the last two weeks earning a number of dollars a day. We are going to the Ribstone annual celebration tomorrow.

HARRY MORRISON.

**Planting Things**

Dear Uncle Tom—This is my third letter to your club. I was very sick two weeks ago, but I am not very well now. I have a new baby sister a week old. I have been doing road work for the last two weeks earning a number of dollars a day. We are going to the Ribstone annual celebration tomorrow.

HARRY MORRISON.

**Have Garden for Fair**

Dear Uncle Tom—This is my first letter to your club. I hope you will put this letter in print. I am nine years old. I am in grade three. Our teacher is very good. We have a garden at school for the fair. I hope that I will receive badge.

MARTHA BROWN.

**Uncle Was Wounded**

Dear Uncle Tom—This is my first letter to your club. I was very sick two weeks ago, but I am not very well now. I have a new baby sister a week old. I have been doing road work for the last two weeks earning a number of dollars a day. We are going to the Ribstone annual celebration tomorrow.

HARRY MORRISON.

**Lost 2 Year Old Colt**

Dear Uncle Tom—I have been going to school and had no time to write. We lost a two-year-old colt. We are having a fair rainy weather but it will do the crops good. I have a nice flower garden this year and have some flowers out too. Uncle and I went to the hospital on January 6, 1916. We have fine weather except the wind often blows hard. I usually get up at 6 o'clock in the morning. I hope I will receive the badge.

EDWARD BROWN.

**Hardisty, June 23rd.**

Dear Uncle Tom—This is my first letter to your club. I was very sick two weeks ago, but I am not very well now. I have a new baby sister a week old. I have been doing road work for the last two weeks earning a number of dollars a day. We are going to the Ribstone annual celebration tomorrow.

HARRY MORRISON.

**Today's Anniversaries**

The Apostle Peter was crucified at Rome in the year 65 during the reign of Nero, on June 29. On the evening of this day St. Peter's church in Rome is brilliantly illuminated.

On June 29, 1562, Columbus arrived at Hispaniola on his fourth voyage. The Virginia plantations benefited by an event that took place in London on June 29, 1612. This was a lottery which was drawn in order to provide money for the colony. The profits amounted to nearly 300,000 pounds sterling.

Henry Clay died on this date in 1852. Having received a common law at the age of 19 and become one of the most distinguished orators of his day. He was twice candidate for president of the United States, but was defeated both times.

### Famous Women

**Margaret Beaufort, Countess of Richmond**

Margaret Beaufort was the daughter and heiress of the Duke of Somerset. Being very beautiful, she was at the early age of 15 eagerly sought in marriage by two persons of high rank. One was the Duke of Suffolk, the other was Edmund, Earl of Richmond, half brother of the reigning monarch, Henry VI. Waverling was advised to consult St. Nicholas, patron saint of undecided maidens. Evidently St. Nicholas decided in favor of Edmund, for she married soon afterward. Edmund died soon after the birth of a son, who later became King Henry VII. Margaret married twice after the death of her first husband. First she married the Earl of Stafford, son of the Duke of Buckingham, and then Thomas Lord Stanley, subsequently Earl of Derby. We are not sure whether she consulted St. Nicholas in the choice of her second and third husbands. Margaret founded several colleges and did other works of charity. She died on June 29, 1569, at the age of 68, just after her grandson, Henry III, ascended the throne.

### Strikeout Record

One of the greatest records for strikeouts was made on June 18, 1886, when Mark Baldwin, pitching for the Duluth team of the Northwestern League, fanned eighteen men. Of these, twelve struck out one after the other. Baldwin later pitched for Chicago, Pittsburgh and New York, and then devoted himself to the practicing of medicine at Pittsburg.

### Today We Celebrate

**Rienzi, Last of the Tribunes**

Rienzi, last of the Tribunes of Rome, on June 29, 1347, rose above the struggles of the nobles of the Eternal City, seized the civil power and carried the people in an effort to restore the ancient liberties of the city. Lawlessness and disorder, which had been the order of the day, disappeared under his wise administration, which, unfortunately, was overthrown after an existence of but seven months by a counter revolution. Rienzi was the son of an innkeeper. Despite his humble birth he early displayed a desire for learning. The history of his own Rome interested him above all else. He studied the annals of the city and had ready in his mind the story of its power and glory. His dreams were of nothing but the restoration of the glory of his native city. He was eloquent on the subject and his enthusiasm kindled the flame in others. With saddened heart he looked up the doings of the nobles, those who were supposed to be the masters of the city. One morning Rienzi woke up and found that his noble took place. Rienzi gave Rome an excellent administration and the city occupied its former proud position. But this glory was short lived. The nobility conspired against him and he was driven from the city. On October 8, 1354, the mob marched to the attack. Rienzi was sought out in his palace and laid low by a thrust with a dagger, going the way of the former Caesar.

**Anniversary of Thomas Dunn, English Author of "Ben Bolt"**

In the middle of the nineteenth century "Sweet Alice Ben Bolt" held the hearts of millions of English speaking people. This widely known ballad first appeared in 1843 in the New York Mirror, then edited by Nathaniel P. Willis. As a poem it is extremely beautiful, and was regarded as by its author. The plaintive and melodious air, however, written for by Nelson Kneass, gave to the words a setting that accounts for the enduring popularity of the ballad. It was introduced in that story. When the voice of "Trilby" revived an interest in "Ben Bolt," most Englishmen supposed the ballad to have been of English origin, and such was the belief of Du Maurier himself. Thomas Dunn, English, the author, was born June 29, 1818, in Philadelphia. He practiced medicine for some time and then studied law, which led him into politics. He was a member of the New Jersey legislature during the Civil War and subsequently served two terms in the national house of representatives. Throughout his life he was active as a writer and editor, but his fame rests on his famous production. He died in 1902.

**The Juggernaut Festival**

The first attempt to suppress the fanatical and suicidal features of the Juggernaut car procession, or Rath Jatra, in India, was made sixty years ago today, when the Indian government refused to extend the state allowance to the temple of Juggernaut and prohibited the annual procession unless the car was adequately protected. The fanaticism of the devotees, however, was not deterred. For many years this order was obeyed, but in 1864 a number of pilgrims were crushed by the wheels of the car. Since then the Juggernaut car has claimed no victims and the festival has declined in importance. "Juggernaut," a word of the world, is an idol, and the main seat of his worship is at Puri, in Orissa. Juggernaut's car, which the idol is placed during the festival parade, is forty-four feet high, has sixteen wheels, each over six feet in diameter, and is so heavy as to instantly crush the life out of those who touch it. It is a relic of the past, and formerly over a million pilgrims annually visited the god, and for a distance of fifty miles the road over which the car passed was crowded with mangled corpses of the fanatics.

**CORP. J. RULE IN OTTAWA**

Corporal J. Rule, late of the 49th Battalion, who was invalided back to the city some time ago, has come to Ottawa for an appointment under the Militia Department.

### If You Want Evidence

**That Hemorrhoids, or Piles, Can be Completely Cured Read These Letters—Both Are Sworn Statements.**

Toronto, Ont., May 17.—Next to personal experience, the sworn statements of reliable men is the strongest evidence obtainable. If you have any doubt that Dr. Chase's Ointment will positively and completely cure piles, these letters should convince you.

Mr. Samuel Parker, fruit grower, Grimsby, Ont., has made the following declaration before Mr. W. Kidd, Notary Public of the same place: "I do solemnly declare that I was troubled with bleeding piles and was advised to go to the hospital to have an operation performed. My wife said, 'No, get a box of Dr. Chase's Ointment.' I did so and have used it according to directions while living in Manitoba and obtained complete relief. For I have never been troubled with piles since. I am now seventy years of age and want to recommend Dr. Chase's Ointment to all who suffer from piles. My wife has used it for itching skin and obtained complete cure."

Mr. Donald M. Campbell, Campbell's Mountain, N.S., writes: "I have used Dr. Chase's Ointment with great success for hemorrhoids or piles of fifteen years standing. After trying all kinds of so-called pile cures, three boxes of Dr. Chase's Ointment gave me a complete cure. I have also used Dr. Chase's Kidney-Liver Pills, and there are not others so good. You may use this letter, if you wish, for the benefit of others who may suffer as I did."

Sworn before me, Murdoch Gordon Campbell, J.P. in the County and for Inverness County, N.S., this 17th day of May 1917.

If you would like to try Dr. Chase's Ointment at our expense, send a two-cent stamp to pay postage, and we shall mail you a box free of charge. For size box 60 cents, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.
